Aaron Kramer, City Administrator – March 16th 2012

MEETING NOTICE – PUBLIC WORKS COMMITTEE **Wednesday March 21st 2012 – 6:30 P.M. – Conference Room #2 – City Hall**

ITEMS TO BE DISCUSSED AND ACTED UPON:

1. Call to order/Roll Call
2. Certification of the open meeting law agenda requirements and approval of the agenda
3. APPROVAL – Minutes of the March 6th 2012 meeting
4. DISCUSSION AND ACTION - East LaPointe to East Lessard Street loop (NOTE: This construction project would complete a transportation loop for TID 5 and serve Universal Forest Products, Moore Transport and potential commercial or industrial ventures. This project would include sanitary sewer, storm sewer and water main installation, asphalt street and concrete curb and gutter. It would serve 100% industrial/commercial development. The total length of the loop is approximately 900 feet; road width would be about 33 feet. The sewer component would be about the same length. The estimated cost is \$250,000 (plus engineering). Funding would come from TID #5.)
5. DISCUSSION AND ACTION - East Lessard Street to the city corporate limits (NOTE: This street currently dead ends at the 22nd Street Right-Of-Way. Development of this street would serve potential industrial or commercial ventures within the City of Prairie du Chien This project would include sanitary sewer, storm sewer and water main installation, asphalt street and concrete curb and gutter. It would serve 100% industrial and commercial development. Total road length is about 1550 feet x 33 feet wide. 22nd Street could be considered for development along with this work. The estimated cost is \$300,000 (plus engineering). Funding would come from TID #5.)
6. DISCUSSION AND ACTION – Driveway access on Marquette Road (NOTE: Staff is recommending the Committee approve the access points being proposed by the Department of Transportation (DOT). Color maps will be provided at the meeting. It is also recommended that the DOT take the lead on access issues through the Marquette Road construction process.)
7. DISCUSSION AND ACTION - Uncontrolled intersections (NOTE: A citywide map of all intersections will be presented at the meeting.)
8. DISCUSSION AND ACTION - May 12th Clean Sweep (NOTE: Staff is seeking permission for this event.)

9. DISCUSSION AND ACTION - Snow removal on the bypass/island paths (NOTE: Staff will provide information on length and time, along with the list of concerned citizens.)

10. DISCUSSION AND ACTION - PSA/engineering services for Campion Landing (NOTE: Staff will also reviewing the estimated fees and grant opportunities for the project.)

11. DISCUSSION AND ACTION – Wells Street Sidewalk Project (NOTE: Staff is seeking permission to expand the project to extend a 24" concrete storm water pipe about 24 feet south and tie it into the Wells Street pipe that runs perpendicular under the street. This will require filling the greenway to safely locate the walk and provide slope for the greenway. This issue was discovered during a recent walkthrough of the site where the sidewalk is being proposed.)

12. ADJOURNMENT

Jaaren Riebe, Chairperson
