MEETING NOTICE – PUBLIC WORKS COMMITTEE (AMENDED)

Wednesday May 16th 2012 – 7:00 P.M. – Conference Room #1 – City Hall

ITEMS TO BE DISCUSSED AND ACTED UPON:

1. Call to order/Roll Call
2. Certification of the open meeting law agenda requirements and approval of the agenda
3. APPROVAL – Minutes of the April 25th 2012 meeting
4. DISCUSSION AND ACTION – Safe Routes to School Phase Two Engineering (NOTE: Delta 3 has completed the engineering plans for next round of the Safe Routes to School project. This route runs mainly along Wells Street from the high school to 22nd Street, down to Campion, and then east on Campion. If the Committee approves the engineering plan, this will go to the Council for approval on May 22nd. A map of the proposed route will be provided at the meeting, and can be viewed prior to that at City Hall.)
5. DISCUSSION AND ACTION – 2012-2013 Capital Projects - Overview Court (NOTE: The original plan had the City repairing Overview from Rice to Glenn Streets, including sanitary sewer and storm water. Staff is recommending that the project be expanded to include milling and overlaying Glenn from Beaumont to 1st Streets as the intersection will be torn up. Funds would come from the original plan project of doing 14th Street from Brunson to Fowler. This would increase the funds available from \$50,000 to \$100,000.)
6. DISCUSSION AND ACTION – 2012 Sealcoating (NOTE: Staff is seeking permission to bid out the work, which will consist of Beaumont Road, south from Iowa Street. \$40,000 has been earmarked for this project.)
7. DISCUSSION AND ACTION - Sidewalk Criteria (NOTE: This is a continuation of the discussion from the last Committee meeting.)
8. DISCUSSION AND ACTION – Replacing pavers in the downtown (NOTE: Staff will provide more information at the meeting.)

10. DISCUSSION AND ACTION – Scheduling of Committee meeting at Villa Louis Boat Landing in May or June (NOTE: Staff would like to have the Committee meet at the landing on either May 23rd or 30th, if possible, to discuss future plans for upgrading the landing.)
