ACTION ITEMS

4. DISCUSSION AND ACTION – Sidewalk Repair/Removal

Elite Painting (829 North Wacouta) is requesting the sidewalk be removed on Miller Street (it is a corner lot), and pay 50 percent of the repairs needed to repair the sidewalk on Wacouta Street. Staff would recommend approving the special assessment and removing the Miller Street sidewalk component, provided the owner signs a waiver of objection in the future if the Miller Street sidewalk is reinstalled at a later date. If approved, this item will be placed on the October 6th Council agenda.

5. DISCUSSION AND ACTION - Agreement between the City and Crawford County relative Vineyard Coulee Road

In March 2014, the Common Council voted “to approve the improvement of Vineyard Coulee Road that falls within the City limits from the north-westernmost point of the land recently annexed into the City by the Prairie du Chien Memorial Hospital to a point 632 feet easterly, and to direct the City Attorney to draft a Memorandum of Understanding with the Township of Bridgeport and Crawford County that the City would agree to pay for improvements to the remaining 632 feet of road footage in the City if it elects to participate in further upgrades.” A proposed agreement will be presented to the Committee for review.

6. DISCUSSION AND ACTION – Parking changes adjacent to the old hospital on Dunn Street

7. DISCUSSION AND ACTION – Flood Mitigation Project

Kurt Muchow (Vierbicher) will be present to review the proposed plan and discuss alternatives.
