**MEETING NOTICE – PUBLIC WORKS COMMITTEE**

**Date: Tuesday May 17th 2016**

**Time: 6:20 P.M.**

**Location: Conference Room #2 – City Hall**

**GENERAL ITEMS TO BE ACTED UPON:**

- 1. Call to order/Roll Call**
- 2. Certification of the open meeting law agenda requirements and approval of the agenda**
- 3. APPROVAL – Minutes of the April 26th 2016 meeting**

**ACTION ITEMS**

**4. DISCUSSION AND ACTION – Installation of Variable Frequency Drive and Replace Motor Control Center at Well #2 (Water Department)**

By installing a VFD, the City could reduce electrical usage which would lower electrical costs and reduce the amount of water breaks in the system due to excess water hammer. The motor control center at Well #2 is outdated and will not support a VFD upgrade. By replacing the control center at Well #2, the electrical components and telemetry would be upgraded to allow the VFD installation. The funds for this project are allocated from the 2014 – 2016 Capital Projects Funds. Update of Wells (\$64,602.00) + Water Main Loop Along Highway 35 (\$45,403.74) to equal \$110,005.74. The remaining amount of money(s) from this project will be forwarded to the N. Michigan Street Project.

**5. DISCUSSION AND ACTION – Vineyard Road culvert replacement**

This is a Bridgeport town project with the Crawford County Highway Commissioner assisting them in applying for and receiving grant dollars to repair and improve Vineyard Road. As part of the project, city staff is proposing that we incorporate the culvert replacement. The total cost estimate for the precast structure is approximately \$80-\$90,000, with the City’s share being \$10,000. Staff recommends we proceed with the culvert project as part of the overall project. Funding would come thorough the 2014-16 Capital Improvement Fund.

**6. ADJOURNMENT**

---

**Aaron Kramer, City Administrator**

COMMITTEE MEMBERS: Todd Myers (Chairperson), Mike Jones, Todd Crotty, Edward Hayes-Hall
